pursuant to 18 U.S.C. § 981(a)(1)(C), as proceeds traceable to a conspiracy to commit a “specified unlawful activity,” as that term is defined in 18 U.S.C. § 1956(c)(7), specifically wire fraud offenses. The conspiracy to commit wire fraud offenses that gives rise to this action is an international Ponzi/Pyramid scheme operated by Evolution

Market Group (EMG) d/b/a Finanzas Forex, DWB Holding Company (DWB), Superior International Investments Corporation (SIIC), German Cardona (Cardona), Daniel Fernandez Rojo Filho (Rojo Filho), Pedro Benevides (Benevides) and others in which investors have been defrauded out of millions of dollars. This action is also brought, pursuant to 18 U.S.C. § 981(a)(1)(A), against SunTrust Bank Account #1000083744432, SunTrust Bank Account #1000083744424, SunTrust Bank Account #1000083744440 (collectively “Trindade SunTrust Accounts”), Regions Bank Account #0095243542 (DWB Developers LLC’s Regions Bank Account), Whitney National Bank Account #0730 660 109 (DWB’s Whitney Bank Account) and the accounts more particularly described in paragraph 1(C)(9)-(16), (18)-(59) because the monetary transactions conducted to fund these accounts were made in violation of 18 U.S.C. § 1956(a)(1)(B)(i). Lastly, this action is brought, pursuant to 18 U.S.C. § 981(a)(1)(A), against the Trindade SunTrust, DWB Developers LLC Regions, DWB Whitney Bank Accounts, the accounts more particularly described in paragraph 1(C)(9), (11)-(16), (18)-(46), (48), (58)-(59), as well as the vehicles, because the monetary transactions conducted to purchase the vehicles and fund these bank accounts were made in violation of 18 U.S.C. § 1957(a).

JURISDICTION AND VENUE

2. This Court has subject matter jurisdiction over an action commenced by the United States by virtue of 28 U.S.C. § 1345, and over an action for forfeiture by virtue of 28 U.S.C. § 1355.

3. This Court has *in rem* jurisdiction over the defendant properties pursuant to:

a. 28 U.S.C. § 1355(b)(1)(A), because pertinent acts or omissions giving rise to the forfeiture occurred in the Middle District of Florida;² and

b. 28 U.S.C. § 1355(b)(1)(B), because venue properly lies in the Middle District of Florida pursuant to 28 U.S.C. § 1395.

4. Venue is proper in the District Court for the Middle District of Florida, pursuant to 28 U.S.C. § 1355(b)(1), because the acts or omissions giving rise to the forfeiture occurred in this district.

THE DEFENDANTS *IN REM*

5. The defendant properties include approximately 294 gold bars (262 gold bars from the Delaware Depository Service Company and 32 gold bars from Inwood Security Vaults). The gold bars were seized pursuant to seizure warrants issued by this Court on February 9 and 11, 2009, respectively, after a probable cause finding that they constituted proceeds traceable to wire fraud offenses, in violation of 18 U.S.C. § 1343. The gold bars are being stored at a depository in Wilmington, DE, under an account controlled by the United States. As explained more fully in the attached affidavit, EMG investor funds were deposited directly into accounts Crowne Gold, Inc. held on behalf of EMG to accept investor deposits. Those funds were subsequently converted into gold bars by Crowne Gold, and therefore, the gold bars represent proceeds of wire fraud violations.

6. The defendant properties also include the nine vehicles, more particularly

² While the defendant gold is not within the jurisdiction of this Court, this Court has jurisdiction over the forfeiture of these properties, pursuant to 28 U.S.C. § 1355(b)(1)(A), because the acts giving rise to the forfeiture of the gold, namely the wire fraud schemes described below, occurred there.

described in paragraph 1(B) above. The vehicles were seized pursuant to seizure warrants issued by this Court on February 9, 2009 and January 10, 2009 (Red Escalade), after the Court found probable cause to believe that each vehicle was purchased with proceeds traceable to wire fraud offenses, in violation of 18 U.S.C. § 1343, and were involved in money laundering offenses, in violation of 18 U.S.C. § 1957(a). The vehicles are being maintained at a secured storage facility located in the Middle District of Florida. The vehicles were purchased with funds from accounts that contained EMG and/or DWB investor funds. Accordingly, the vehicles were purchased with proceeds of wire fraud violations. Additionally, the purchase of the vehicles involved monetary transactions conducted with more than \$10,000 in wire fraud proceeds. Thus, the vehicles constitute property involved in money laundering violations.

7. The defendant properties also include the funds seized from three SunTrust Bank accounts (Trindade SunTrust Funds), more particularly described in paragraph 1(C)(1)-(3) above. The Trindade SunTrust Funds were seized pursuant to seizure warrants issued by this Court on September 16, 2009, after a probable cause finding that they constituted or were derived from proceeds traceable to wire fraud offenses, in violation of 18 U.S.C. § 1343, and were involved in money laundering offenses, in violation of 18 U.S.C. §§ 1956(a)(1)(B)(i) and 1957(a). The Trindade SunTrust Funds are being held in the United States Customs Suspense Account at the National Finance Center in Indianapolis, IN. Because the Trindade SunTrust Accounts were funded by accounts which directly received EMG and/or DWB investor funds, the seized funds constitute proceeds of wire fraud violations. Additionally, because the

funding of the Trindade SunTrust Accounts involved monetary transactions conducted with more than \$10,000 in wire fraud proceeds and the transactions conducted to fund these accounts were conducted with wire fraud proceeds that were moved through several bank accounts (held by various corporations and entities) in order to conceal or disguise the illegal source and true ownership of the funds, the Trindade SunTrust Account Funds constitute property involved in money laundering violations.

8. The defendant properties also include the contents of the DWB M&I, DWB Developers LLC's Regions Bank and DWB Whitney Accounts described more particularly in paragraph 1(C)(4)-(6) above. The funds seized from these accounts were seized pursuant to seizure warrants issued by United States Magistrate Judges in the District of Arizona, on August 22, 26 and September 25, 2008, respectfully, after a probable cause finding by that Court that the funds constituted proceeds traceable to drug trafficking and were involved in money laundering offenses. The funds seized from DWB's M&I Bank Account were deposited into the Department of Justice Seized Assets Deposit Fund Account at the Federal Reserve Bank. The contents of the DWB Developers LLC's Regions Bank Account and DWB Whitney Bank Account were deposited into the Department of Treasury's Asset Forfeiture Fund.

a) EMG investors deposited their funds directly into DWB's M&I Account. From there, Rojo Filho transferred \$200,000 from DWB's M&I Account into DWB's Whitney Bank Account. Accordingly, both accounts contain proceeds of wire fraud violations. Additionally, because the funding of the DWB Whitney Bank Account involved a monetary transaction conducted with more than \$10,000 in wire fraud proceeds, the contents of that account constitute property involved in money laundering

violations. Moreover, because the transactions conducted to fund DWB's Whitney Bank Account were conducted with wire fraud proceeds that were moved into an account not advertised to investors, the contents of that account constitute property involved in money laundering violations.

b) DWB Developers LLC's Regions Bank Account was funded by accounts which directly received EMG and/or DWB investor funds; therefore, the funds seized from it are proceeds of wire fraud violations. Additionally, because the funding of DWB Developers LLC's Regions Bank Account involved a monetary transaction conducted with more than \$10,000 in wire fraud proceeds, the contents of DWB Developers LLC's Regions Bank Account constitute property involved in money laundering violations. Lastly, because the transaction conducted to fund DWB Developers LLC's Regions Bank Account were conducted with wire fraud proceeds that were moved through several bank accounts (held by various corporations and entities) in order to conceal or disguise the illegal source and true ownership of the funds, the contents of DWB Developers LLC's Regions Bank Account constitute property involved in money laundering violations.

9. The defendant properties also include funds seized from the SunTrust, First National Bank of Central Florida, Bank First, RockBridge Commercial, Community Bank of Florida, Old Southern, Center State, and CNL Bank Accounts described more particularly in paragraph 1(C)(7)-(59) above. The contents of these accounts were seized pursuant to seizure warrants issued by United States Magistrate Judges in the District of Arizona, between October 29 and November 17, 2008, after a probable cause finding by that Court that the funds constituted proceeds traceable to drug trafficking

and were involved in money laundering offenses. The contents of these accounts were deposited into the Department of Justice Seized Assets Deposit Fund Account at the Federal Reserve Bank. EMG investor funds were deposited into all of these accounts; consequently, pursuant to 18 U.S.C. § 984, the funds seized from these accounts constitute proceeds of wire fraud violations. Additionally, because the funding of the accounts more particularly described in paragraph 1(C)(9), (11)-(16), (18)-(46), (48), (58)-(59) above involved monetary transactions conducted with more than \$10,000 in wire fraud proceeds, the funds seized from those accounts also constitute property involved in money laundering violations. Lastly, because the transactions conducted to fund the accounts more particularly described in paragraph 1(C)(9)-(16), (18)-(59) above were conducted with wire fraud proceeds that were moved to accounts where the account holder was unknown to investors, to a bank account not advertised to investors, or both, in order to conceal or disguise the illegal source and true ownership of the funds, the funds seized from those accounts constitute property involved in money laundering violations.

10. As set forth in Supplemental Rule G(3)(b)(i), the Clerk must issue a warrant to arrest the defendant properties if they are in the government's custody.³

Accordingly, the Clerk must issue a warrant to arrest the Red Escalade, Vin

³In this regard, however, Supp'l Rule G is inconsistent with the current Local Admiralty Rule 7.03(b)(1), that requires a judicial officer to first review the verified complaint, and any other relevant case papers, prior to the Clerk issuing the warrant of arrest *in rem*.

#1GYFK26289R117904.⁴ However, because the instant action is brought against the assets more particularly described in paragraph 1(C)(7)-(59) was brought based upon different forfeiture theories than those which gave rise to the District of Arizona action, namely that these funds constitute the proceeds of wire fraud and/or money laundering offenses, the United States requests that this Court, upon a finding or probable cause that these funds constitute the proceeds of wire fraud offenses and/or were involved in money laundering offenses, issue warrants to arrest these accounts, pursuant to Supplemental Rule G(3)(b)(ii).

11. All of the Defendant Properties are subject to forfeiture pursuant to 18 U.S.C. § 981(a)(1)(C), because they constitute proceeds traceable to a "specified unlawful activity," as that term is defined in 18 U.S.C. § 1956(c)(7). A "specified unlawful activity," as defined in 18 U.S.C. § 1956(c)(7), includes offenses listed in 18 U.S.C. § 1961(1). Specifically, 18 U.S.C. § 1961(1) includes violations of 18 U.S.C. § 1343 (relating to wire fraud).

12. The Trindade SunTrust, DWB Developers LLC Regions, DWB Whitney Bank Accounts and the accounts more particularly described in paragraph 1(C)(9)-(16), (18)-(59) are also subject to forfeiture pursuant to 18 U.S.C. § 981(a)(1)(A), which provides for the forfeiture of any property, real or personal, involved in violations of 18 U.S.C. § 1956(a)(1)(B)(i). The funds seized from these accounts are criminally derived funds that were moved through several bank accounts (held by various corporations and entities) before being deposited into these accounts. This was done in order to

⁴The Clerk already issued the warrants of arrest *in rem* for the properties more particularly described in paragraph 1A(1)-(2), B(1)-(8), and C(1)-(6).

conceal or disguise the illegal source of the funds contained in the Trindade SunTrust, DWB Developers LLC Regions and DWB Whitney Bank Accounts and to disguise the true ownership of the funds, in violation of 18 U.S.C. § 1956(a)(1)(B)(i). Further, the funds contained in the accounts more particularly described in paragraph 1(C)(9)-(16), (18)-(59) are criminally derived funds that were moved to accounts where the account holder was unknown to investors, to a bank account not advertised to investors, or to both. This was done in order to conceal or disguise the illegal source of the funds contained in the accounts more particularly described in paragraph 1(C)(9)-(16), (18)-(59) and to disguise the true ownership of the funds, in violation of 18 U.S.C. § 1956(a)(1)(B)(i).

13. Lastly, the monetary transactions made to fund the Trindade SunTrust, DWB Developers LLC Regions, DWB Whitney Bank Accounts, the accounts more particularly described in paragraph 1(C)(9), (11)-(16), (18)-(46), (48), (58)-(59), and the vehicles were conducted in violation of 18 U.S.C. § 1957(a) because they involved monetary transactions conducted with more than \$10,000 in criminally derived funds and, as such, are subject to forfeiture pursuant to 18 U.S.C. § 981(a)(1)(A).

FACTS

14. Specific details of the facts and circumstances supporting the forfeiture of the defendant properties are contained in the Affidavit of Internal Revenue Service (IRS) - United States Secret Service (USSS) Financial Crimes Task Force Agent Noel F. Martinez, Jr., which is attached hereto as Exhibit B and fully incorporated herein by reference.

15. As required by Rule G(2)(f), the facts set forth in the attached affidavit

support a reasonable belief that the government will be able to meet its burden of proof at trial. Specifically, for the reasons set forth in the attached affidavit, there is probable cause to believe that the defendant properties constitute or are derived from proceeds traceable to a violations of 18 U.S.C. § 1343, and therefore, are subject to forfeiture pursuant to 18 U.S.C. § 981(a)(1)(C). Additionally, there is probable cause to believe that the defendant Trindade SunTrust, DWB Developers LLC Regions, DWB Whitney Bank Accounts and the accounts more particularly described in paragraph 1(C)(9)-(16), (18)-(59) were involved in violations of 18 U.S.C. § 1956(a)(1)(B)(i); and the defendant Trindade SunTrust, DWB Developers LLC Regions, DWB Whitney Bank Accounts, the accounts more particularly described in paragraph 1(C)(9), (11)-(16), (18)-(46), (48), (58)-(59), and the vehicles were involved in violations of 18 U.S.C. § 1957(a), and therefore, are subject to forfeiture pursuant to 18 U.S.C. § 981(a)(1)(A).

WHEREFORE, the United States respectfully requests that the process of forfeiture be issued against the defendant Red Escalade, Vin #1GYFK26289R117904, and the accounts more particularly described in paragraph 1(C)(7)-(59) above; that due notice be given to all interested parties to appear and show cause why the forfeiture should not be decreed, that the court decree the condemnation and forfeiture of the

funds to the United States for disposition according to law, and that the United States be granted such other relief as the court deems just and proper.

Respectfully submitted,

A. BRIAN ALBRITTON
